

Affordable Long-Lasting 4K UHD Ultra-short Throw Laser Home Projector

- Bright 3,000 lm & stable brightness output
- DuraCore laser light source, up to 30,000 hrs
- 1,800,000:1 frame by frame dynamic contrast
- HDR 10/ HLG compatible
- UST technology for easy setup
- Comes with a Google & Netflix certified Android™ TV dongle from Hako mini.

Specification

Resolution	4K UHD (3,840 x 2,160)	Speaker (W)	2x 10W
Brightness ¹	3,000 lumens	3D	3D ready(Support Frame sequential/ Frame packing.)
Contrast	1,800,000:1	Standby power	<0.5W
Light source life (hours)	30,000(Eco mode)	Uniformity	90%
Noise level (Eco mode)	26 dB	Light Source	Laser
Display Colors	1.07 billion	Scan Rate	Horizontal : 31~135KHz Vertical : 24~120Hz
Weight (kg)	8.4 kg	Power supply	100V ~ 240V ± 10%, 50-60Hz
Dimensions (W x D x H mm)	576 x 383 x 115 mm (w/o feet) 576 x 383 x 130 mm (w/ feet)	Power Consumption	Power Consumption (Min) @110V 144.5W
Throw ratio	0.25:1		Power Consumption (Max) @110V 241.5W
Zoom type	Fixed		Power Consumption (Min) @220V 140.25W
Image size (inch)	172 – 267 mm (85" to 105")		Power Consumption (Max) @220V 230W
Aspect ratio	16:9		
Geometry correction	4 corner, H/V keystone, Warping (3x3)		
Projection Lens	F# 2.04; f 525mm @90°	Features	3D support
Offset	122.5%~129%		Warping, 4 Corner, HDR/HLG
Connections	HDMI 2.0 x 3 (HDMI1 support eARC out, Lower latency)		eARC
	USB-A x1 (5V/1.5A Power, service)		Android TV Hako mini dongle for Smart TV
	S/PDIFx1		Enhanced gaming mode(HDMI1 only)
	RS232x1		
	Audio Out x1
